

The Official Travel Organization
of
NFL Flag Pasadena

WHAT IS THE PASADENA OUTLAWZ??

The Pasadena Outlawz (formally Pasadena Predators) is the official travel organization of NFL Flag Pasadena. This special program is designed to prepare our youth athletes to compete and succeed at flag football's most prestigious and competitive events while also providing them the opportunity to compete against the best players in the country. Our goal is to not only provide our youth athletes the opportunity to build and showcase their skills, but to help them reach the next level of competitive football. We also intend to get our youth players recognized locally, regionally, and nationally, by letting them "put their names out there" with their play.

The program combines: NFL Flag Pasadena's best coaches, strategies and plays, special skill training; and the league's full resources to train and prepare NFL Flag Pasadena's top players who want to compete at a higher level. Participation is by tryouts only, and there will be the typical fees associated with a travel club.

We intend for the Pasadena Outlawz to compete in the 6U, 7U, 8U, 9U, 10U, 11U, 12U, 13U, and 14U divisions (birthdate as of 1/1/24) in the most prestigious flag football tournament circuits such as the NFL Flag Regionals and Nationals, the National Flag Football Championship Tour, Hard Count Athletics Tour, Southwest Showdown, and the Cali Classic tournament tour.

COMMITMENT

As with any travel organization or club, there will be a huge commitment needed by not only the travel team players, but their parents, coaches, and teammates. We ask all players to commit fully to the program for their 6 month season once they are accepted to the program.

Tryouts will be held during October and November 2023 for the 1st half season and the first tournaments typically start up in January and finish up in June. Tryouts for the 2024 2nd half season will be held in May with the season starting in July and ending in December.

Players that make the team for the 2024 1st half season will have priority over others for the 2024 2nd half season if they choose to play in that term.

We intend to have our teams play in approximately 12 tournaments each year, with the opportunity to play in more if desired. We will try to keep most tournaments located on the West Coast, but there may also be a few tournaments elsewhere.
